ACTIVITIES

Film Festival

We will be having our fourth annual DYC Indie Film Fest! There will be literally hundreds of dollars worth of prizes! Be watching for more information from your leader regarding the theme and how to enter.

Relevant Seminars

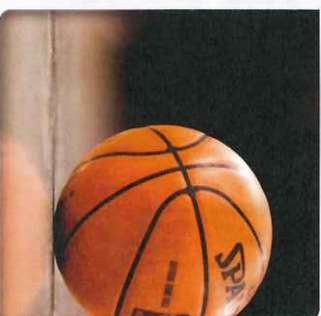

Every year DYC brings in different leaders and gifted youth pastors to come and speak on topics that matter to you. Relevant Seminars are designed to help you really dig in and deepen your walk with Jesus as you wrestle with what it means to live for Him on a day to day basis.

Fire Starters

Take a moment to stop and spend time in the Fire Starters room where the rich environment moves you to, "be still and know that He is God." As you spend time here you will be inspired and challenged through this thought provoking space.

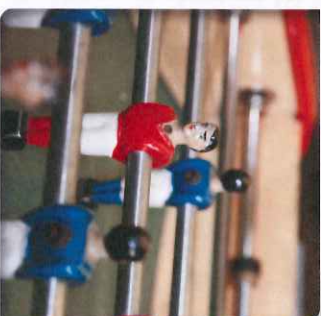

ACTIVITIES

Sports Tournament

We will be returning to THE HOOP where you and your team can compete for the prestigious DYC trophy in the four on four basketball tournament. There will also be a soccer tournament, volleyball, and board games.

Game Room

Check out the Game Room where you can kick back, relax, and get your Guitar Hero on. Filled with foosball tables, boccerball tables, DDR and karaoke. The Game Room has just about everything you could want to get your game fix.

Interactive Art Stations

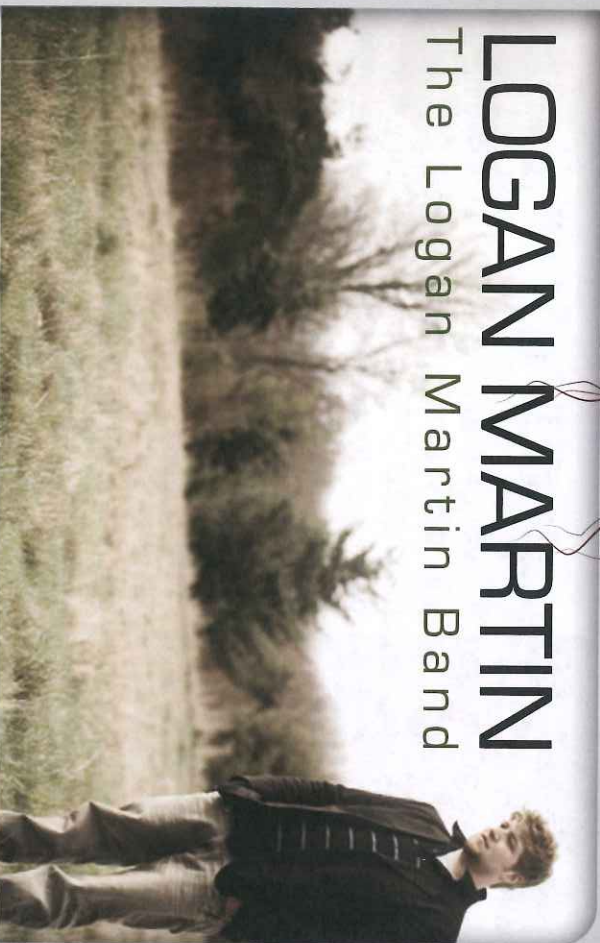

During the main sessions there will be art stations setup in the back of the main gathering area where you can sculpt, draw, or paint what you feel God is communicating to you through the different messages.

WORSHIP

LOGAN MARTIN

The Logan Martin Band

We are excited to say that we have invited The Logan Martin Band to come back for one more year to lead us in worship. Logan and the band have helped to create an experience year after year where students and leaders alike can come together to worship God through song.

SPEAKER

TO BE ANNOUNCED

Each year for DYC a panel of highly trained professionals look for the best of the best to come and speak. We are excited about how things are shaping up for this year and know that you won't be disappointed. Please be watching for more information!

Thanks,

The DYC Team
