

Wedding Application

Submitting this form does not guarantee your wedding will be held at Salem Alliance Church. In addition to the availability of the date requested, church records **must** indicate that the bride, the groom or both have been attending church on a regular basis for at least one year. Final confirmation will not be given until the *couple* meets with the pastor performing the ceremony or the outside pastor has been approved. Be sure to read all the wedding information and return the signed form to the Operations Manager at the church office.
