

His Kids Special Concerns Form

Dear Parent or Care Giver,

Please help us to provide a safe Sunday School environment at Salem Alliance Church for your child by answering the following questions:

1. Does your child require accommodations restrictions or instructional modifications in our children's program? (If necessary, attach additional sheet with instructions or ask for a **His Kids Care Plan** form for a child requiring more extensive care.)

Yes No

2. Do you have any special concerns we should be made aware of? (Use space on the back if needed.)

3. Does your child have any allergic reactions to food, drugs, insects, plants, animals, or any medical history we should be made aware of?

4. If you answered 'yes' to any of the above questions, would you like to talk with a Grade School Ministry representative regarding this information?

Yes No

5. Does your child have a special interest or hobby? If so, what is it?

6. During the year we take pictures of the gradeschoolers for use on the bulletin boards in the classrooms on the website and in children's ministry publications. Do we have your permission to use these pictures for these stated purposes? Yes No

Return this form to the Grade School Registration box at the tape counter or Cindy Hayden's mailbox across from the receptionist desk. If you do not return this form, we will assume you have no special concerns about your child.
