“A message steeped in the Holy Spirit, a message that leads men and women to seek the fullness of the Holy Spirit without exaggeration, without fanaticism, without unscripturalness of any kind – all that power can be and yet with the spirit of a sound mind.”

SIMPSON

“People have come from all over to join ISIS and are now here destroying and killing and bringing fear. Now, Christians are coming from all over the world and they are bringing help, love and hope — which religion would you chose? I am going to be a Christian and help them.”

“It was the most amazing baptism my wife and I have experienced... Clark brought 10 of his unsaved friends and most surprising of all was his mother was not only there, but had seen the change in Clarke... started attending church, and became a Christian 5 weeks ago. She got baptized too, so I included pictures of her baptism as well...

... They gave their testimonies and it was a blessed event.
Thanks so much to your mom for the role she played in Clark's
life. He thought it very cool that I would be sending her pictures
of his baptism."

DARREL (ATTORNEY FOR CLARK)
