The Gospel Leaves Little Intact

“This is to precisely show the explosive, if confusing, effects of taking the message of Jesus into the wider world. The journey of the gospel from Jerusalem to the ends of the Earth is unstoppable but uncomfortable.”
- N.T. Wright

Listening and doing can be costly and uncomfortable.

“God’s will for us is less about our comfort than it is about our contribution.”
- Erwin McManus

The Gospel confronts obstacles and opposition.

It elicits reactions and response.

Get out of neutral.

What in my life have I set up that needs to be disrupted and knocked over?

Create a listening space.

Anticipate reaction and response.
