Sermon:

We are all under His rule & His reign – whether we acknowledge it or not.

How, like Belshazzar, are we allowing our arrogance to cheapen God’s Sovereignty?

“He learned that the Most High God rules over the kingdoms of the world and appoints anyone he desires to rule over them.”

Regularly humble yourself in His presence—declaring His Sovereignty

How, like Belshazzar, are we living like the sovereign God is Captured and Conquered?

Where are we living as though He’s powerless?

Where are we living as though His authority is limited?

Where are we living as though he needs to be defended?

“The same hand that wrote the law on the stone tablets for Moses wrote on the wall in Babylon and on the dusty ground in Jerusalem. And it writes still—on repentant and believing hearts.”
