Companion Program for Children - BLC Kids

While parents study in our evening English, Life Spanish and Financial Peace University Learning Communities, their children may be enrolled in a fun learning program called BLC Kids, which is conducted in English. The curriculum for each children's group is designed to be interactive and enhance motor skills through an enriching classroom experience. There is no additional fee for the Companion Children's Program, but class size is limited and registration is required. Parents with children are encouraged to register early. Parents are given an opportunity to register their children when they complete their class registration. BLC Kids program is for children ages birth through 5th grade.

New Student Placement Test:

A **placement test** is required for all new students to assist us in matching language skill to the most appropriate class level. Registrants need to complete our placement test, which covers three segments – an oral conversation, a written test and a writing exercise. The tests may take up to one hour to complete all three, which will vary based on your English proficiency / aptitude.

The PLACEMENT TEST DATE is on the **Thursday before the term begins at 6:30 pm** at Broadway Commons, 1300 Broadway St NE, Salem – on the third floor. **If you miss this placement test date, before being accepted and placed into one of our English classes you must take a placement test the first Monday of the term beginning at 6:15 pm, which may delay the start of your attendance on the first night of class. Late registration may not be possible due to class size.**
