Quick facts regarding Spanish Language classes:

Our unique Spanish curriculum combines classroom instruction with online supplements that allow you to study at your own pace.

- Life Spanish classes are an adult education program, ages 18 and older.
- We offer two 12 week terms per year -- Fall term (September to December) and Spring term (January to April).
- Class is on Monday evenings from 6:30 – 8:00 pm.
- Students can register during the open period for both Fall/Spring terms – 12 weeks or 24 weeks.
- Each adult family member must complete a separate registration form. The on-line system allows registering additional persons, with payment combined at the end of the Finish & Pay process.
- Classes are in Broadway Commons Building at 1300 Broadway St NE, Salem on the second floor.
- There are 3 levels of Life Spanish offered based on the student's skill level: Beginner, Moderate and Advanced.
- Our class fee is \$90 (\$30 registration and \$60 book fee) per person, which includes the textbook and digital content access. Book can be used for 2 terms.
- Class size is limited. Registration may not be possible due to class size; we encourage students to register quickly and complete payment to guarantee their space in class.

New Student Placement Test:

A **placement test** is required for all new students to assist us in matching language skill to the most appropriate class level. The test covers two segments – oral and written. Please plan up to one hour to complete the test based on your Spanish proficiency / aptitude. The **PLACEMENT TEST DATE** is on the **Thursday before the term begins at 6:30 pm** at Broadway Commons, 1300 Broadway St NE, Salem – on the third floor. **If you miss this placement test date, before being accepted and placed into one of our Spanish classes you must take a placement test the first Monday of the term beginning at 6:15 pm, which may delay the start of your attendance on the first night of class. Late registration may not be possible due to class size.**

PLEASE NOTE: Fall term is the beginning point of our curriculum - designed for individuals with NO Spanish skills or very basic Spanish. The "Spring term" is a continuation from fall term. Spring term begins at the 13th week of instruction. If you do not have any prior proficiency/experience with Spanish, we ask you defer registration until the next Fall term.

Companion Program for Children - BLC Kids

While parents study in our evening English or Spanish, their children may be enrolled in a fun learning program called BLC Kids, which is conducted in English. The curriculum is designed to be interactive and enhance motor skills through an enriching classroom experience. There is no additional fee for the Companion Children's Program, but space is limited and parents with children are encouraged to register their children early. BLC Kids is for children ages birth-5th grade.
