

# High School Ministry Huddles

## What are Huddles?

In High School Ministry at Salem Alliance Church, we believe that a consistent Christian community is a key component to unswervingly following Christ (Heb. 10:23-25). We are passionate about being a community who walks life, faith and fun together and that is why we have grade and gender specific small groups called Huddles.

## What do Huddles Look Like?

Huddles are grade and gender specific groups that meet in two different settings:

- 1) Flipside Huddles: Within Flipside each weekend, Huddles get together to talk about how to follow the grace and truth of Jesus today as well as journey our spiritual lives together. Flipside happens at 5pm on Saturdays and 11am on Sundays in the youth center.
- 2) Huddle Hangouts: Periodically throughout the year, Huddles get together to have fun with no pressure or agenda. Community is formed when we create memories together and discover what we have in common with others.

## How do I get involved with a Huddle?

Come to Flipside on Saturday at 5pm or Sunday at 11am and we will introduce you to your huddle leaders and you can meet your huddle crew.
