Music:

What A Beautiful Name	Build My Life	I Exalt Thee
King Of My Heart	Here’s My Heart	

Sermon:

Find any area of success in a person’s life and I’ll show you how God used people. Point out any area of failure or disaster in someone’s life and I’ll show you how you don’t get into trouble alone.

Do not be misled: “Bad company corrupts good character.” 1 Corinthians 15:33

The Way of Cain: Relate to God on your own terms.

“I had some good friendships along the way that helped me to figure out exactly what I wanted to believe in. Ultimately, it was that rules and regulations and binary systems don’t really resonate with me.” A. Rodgers

The Way of Balaam: God exists for your personal gain.

The Way of Korah: Reject authority, and don’t let people tell you how to live.

You can be 100% right and still be wrong.

As you think of those who influence you spiritually, are they in any way reinforcing the way of Cain, Balaam, or Korah?

Have a conversation with or write a note to a faithful spiritual friend and thank them.
