

You are going to make a Tandem Freefall Skydive. Your scheduled *check-in time* is on Saturday, May 23, 2020 at 12:00pm at Skydive Oregon, in Molalla.

***IMPORTANT: Please share all of the following information with everyone in your group - jumpers as well as any spectators joining you for the day. By reserving, you have confirmed that everyone in your group meets the minimum requirements—at least 18 years of age and men are under 230 lbs, ladies under 200 lbs and in good shape, height/weight proportionate for their size.***

***Special note for family and friends with pets - the airport does not have an area for dogs, so especially on these hot summer days, please leave them at home where they will be more comfortable than in your car.***

**Info for the day of the jump:**

- Please bring a **driver's license** or some form of valid government issued photo ID with you, without that there is no paperwork and no jump.
- Your \$50 per person deposit was charged to the card provided at the time of reservation and it will apply toward the total price on the day of the skydive. You can pay your balance due with either cash (to receive the cash discount) or Visa, MC, Discover or Debit Card. We do not accept checks or American Express. Tandem skydives are \$190 cash or \$200 cc/debit per person. Group rate is \$170 cash or \$180 cc/debit per person for groups of six or more reserved as a group. Deposits will be applied on the day of the jump. High Altitude 18,000' tandem fees and any video/photo fees are payable on the jump day.
- Wear **gym shoes** or some type of snug fitting athletic shoe. No hiking boots or sandals, nothing with open toes or open sides or any hooks or heels.
- **Comfortable clothes**—you can wear jeans, shorts, t-shirt, sweatshirt or whatever is weather appropriate. Please wear or bring a shirt with sleeves—No tank tops or sleeveless shirts should be worn for the jump, they are not comfortable or allowed under the harness—sleeves are required for hygiene reasons as well. We have jumpsuits and everything else you need for the skydive. Please call if you have any questions.
- **Time**—Plan on being here by your reserved *check-in time*. The first hour or so that you are here, you will be doing your waiver, check-in and training, along with everyone reserved at that same check-in time. We organize skydiving groups into aircraft loads after training each check-in group, so you may spend some time watching other people skydive prior to your turn. It is a **4–5 hour time commitment** (weekends) or a 3–4 hour commitment (on weekdays) for the average group of 2 to 4 people, larger groups may take longer. Weather and other factors can affect jump times.

- There is a spectator area for your family and friends, except the 4-legged kind. There are **no dogs** allowed on the airport and all children must be with a parent or guardian at all times. Additionally, there is **no alcohol** allowed during skydiving operations.
- **Weather**—*All weather decisions are made on the jump day, throughout the day.* We do not jump in the rain or through the clouds, but we do jump on many partly cloudy/partly sunny days and we always make the weather decisions on the day of the jump since you can't rely on the forecast. If the weather looks iffy on the day of the jump – we recommend giving a call *shortly* before you need to leave your house for your show up time 503-829-3483. Office opening hours are listed on our website on the About page with additional updates in the jump gauge. If it's nice out, there is no reason to call, we just need to see you here by your reserved check-in time.
- Driving directions are available on our website at [www.skydiveoregon.com](http://www.skydiveoregon.com)
- Optional video/photo packages are available—we recommend reserving in advance for best availability. HandCam Video/Photo package is \$100 cash or \$105 cc/atm per person. *Please note, if you are having your skydive videod/photographed, you will want to wear an appropriate shirt or top so that it does not blow around or expose more than you would prefer.* Please call or ask at manifest if you have questions.
- Personal Cameras—You and your friends are welcome to have cameras *on the ground*. For safety reasons, you are not allowed to wear or take cameras, including cell phones and GoPros, in the airplane or on the skydive. To skydive with a camera, you must have a minimum of 200 skydives and be C licensed by the United States Parachute Association.
- Deposits and reservations are locked in, seven days in advance. For groups of six or more in July, August and September, reservations are locked in at the time of reservation. Additional information on cancellations or changes is listed at the end of this message.
