

RECAP

As you think about this past week, did you get any opportunities to image heaven to others? If so, what did that look like?

Were there any specific answers to your prayers as you prayed for heaven to come to earth?

REFLECT

As you reflect on the Overcomer sermon series, what truth or application has been most impactful to you?

SPIRITUAL PRACTICE

Take communion together

APPLICATION

The end of Revelation 22 gives us the simple and profound gospel invitation:

The Spirit and the Bride say, "Come,"

Let the one who hears say, "Come."

Let the one who is thirsty come.

Let the one who desires come.

Think about one person in your life who you desire to "come" to know Jesus. Pray for an opportunity to enter a spiritual conversation with them this week.

If the opportunity arises, be ready to ask a question like "Have you ever thought about what will happen at the end of the world?" or "What do you think heaven will be like?" They may in return ask you the same question in which case you can share your thoughts as well. If they seem interested, you may also like to share something that you have found impactful from the Overcomer series.
