

# ***SERVE WITH US!***

We mean it when we say we couldn't do what we do without our incredible adult volunteer leaders. Would you consider making a difference in the lives of students by leading with us? Below are two different ways you can serve students within High School Ministry:

## ***BECOME A HUDDLE LEADER***

Huddle Leaders lead a small group of students on a weekly basis within our Sunday evening program, Flipside, starting in September and going through May. Huddles times are comprised of a discussion around the Flipside sermon, relational connection, and prayer time. We provide all of the content and discussion questions so you can be fully equipped. We work hard to ensure our leaders are fully equipped by providing on-going training on various topics, such as mental health, asking tough questions, crisis intervention, guiding a successful conversation, and more. These trainings takes place at our monthly volunteer leader meetings.

## ***JOIN OUR EVENT SUPPORT TEAM***

From preparing meals for meetings, to offering check-in for events, to driving buses for retreats, to hosting gatherings in your backyard, to offering set up and tear down for program... our Event Support Team does it all! There are many ways to serve students through High School Ministry. If you have a special skill or gifting that you would like to use to bless students, we would love to have you join our Event Support Team!
