Why So Picky?

This Ministry is intended to bless people in need and help them feel valued by giving them items that represent love and warmth.

Most recipients live in small housing units that are often on a 2nd or 3rd floor. Large items are difficult to navigate up-stairs, through small doorways and are often too large for smaller-sized dwellings.

Past experience with appliances/electronics have put the ministry team in a bind when appliances/electronics need repairs.

We do not have the capacity to repair furniture. Items need to be clean, operable and in good working order at time of pick-up.

Other Guidelines we follow:

We **CANNOT** accept furniture that is worn, torn, faded, cat-scratched, stained, soiled, gouged, broken, visible pet hair and/or smells bad (smoke/pets). We **CAN** only accept furniture that is clean and operable at time of pick up.

If anyone has material possessions and sees his brother in need but has no pity on him, how can the love of God be in him? Dear children, let us not love with words but with actions and in truth. (1 John 3:17-18)
