

Middle East Missions Update –

Thank you Salem family for your faithful and generous support of the Lord's work here! We thank God for you and your vision for not only your own community, but the peoples of the world and in particular the people of this region. Thank you for enabling us to carry out the work to which the Lord has called us. Your ongoing prayer for us enables us to carry on in confidence that God will bring fruit to His own glory through our labors.

I wish you could have seen our Christmas service! Not one more chair could have been placed in the sanctuary and there were those left standing behind them – so many locals came, curious and interested in this news about Jesus. What an honor to hold before them the hope of the One whom the angel commanded to be named Jesus "because He will save His people from their sins!"

May God richly bless Salem as you hold forth the Lord Jesus as the life-giver there at home and around the world! We are praying for you all through these coming days of transition there as well.
