A stylized world map in shades of orange and yellow, serving as the background for the text.

support our international
RTI Students

RTI is excited to be sending five students internationally this next year for their Senior Residencies. If you're interested in financially supporting these students, we have included their fundraising links. If your Life Group would like to schedule one of these students to come share with you before they leave, please contact us below – we would love to get you connected with them.
