

RECAP

As you reflect on last week's discussion, were there any opportunities for you to provide hope to someone in your sphere of influence? If so, what did that look like? How did they respond?

IDEA 1

Rob started his sermon by describing the Now and Later reality of the Kingdom of God.

He shared that "we taste the kingdom in the now - and we want more - we will have it in all fullness when Christ returns and all is made right - when evil is eliminated - when His presence is evident in all places."

Where are you currently tasting the Kingdom of God now? How are you experiencing the reality of Christ in your life today?

Where do you desire to experience more of the Kingdom? Where do you long to see the fullness of Christ displayed in the future?

IDEA 2

Read Ezekiel 47:1-12

Rob highlighted the benefits of the living water described in Ezekiel's vision:

- The Living Water restores all of Creation
- The Living Water brings Presence
- The Living Water brings Salvation
- The Living Water brings Healing

What thoughts or feelings come to mind as you reflect on the passage from Ezekiel you just read?

What stands out to you about the benefits of the living water Rob described?

IDEA 2

How have you experienced the benefits of this living water in your own life?

Where have you seen the restoration of creation? Or where have you experienced God's presence, salvation and healing?

How might God be inviting you to help others experience this living water in their own life?

SPIRITUAL PRACTICE

Pray for a greater outpouring of the living water and the tide to rise.

- Pray for a greater restoration of Creation.
- Pray for more of God's presence - in our lives, our city, in the nations
- Pray for those in your lives who are yet to experience salvation.
- Pray for those who are in need of healing - physical, mental, emotional, relational.

Lean into each of these areas as you feel led to pray.

NEXT STEPS

As you reflect on the sermon and your discussion today, what do you sense God's invitation to you is? What next step is He encouraging you to take this week?
