

## RECAP

As you reflect on this sermon series, Unexpected King, what is one thing you're taking away with you?

How has this series shaped your understanding of and relationship with King Jesus?

## IDEA 1

“For us as Christians - Easter is the victory lap - our ticker-tape parade - Celebrating what His victory means for us”

What does Christ’s victory mean to you? Why does it give you a reason to celebrate today?

Where have you seen the victory of Christ in your own life since last Easter?

## SPIRITUAL PRACTICE

“His life and death brought this cosmic victory in the heavenly realms and because of that.....we can be made alive with Christ.”

Who in your sphere of influence do you long to see made alive in Christ?

Take time to intercede for those people who come to mind

## NEXT STEPS

“When Christ died, the earth shook and now here with his resurrection the earth shakes again... Today we join with the cosmic celebration!”

**How can you join in the cosmic celebration this week?**

**What does it look like for you to spread the good news that Jesus is alive?**
