

What can I do?

1. Start praying now if perhaps the Lord would have you reach into your local neighborhood with the impact of the gospel. Pray also for the children and families in your neighborhood.
2. Identify if you have children in your neighborhood who you could reach out to.
3. Consider if you could host a 5 Day Club in your home, a nearby park, or perhaps at a neighboring apartment complex.
4. Contact Jeff at the local CEF office to find out how you can host a club.
5. Consider how you can encourage your church family to be involved in this outreach project (if they aren't already).

"Thank you for coming and sharing your time. It will be a memory my child will have forever."

On Saturday morning my 6 y.o. daughter asked, "Is there Bible club today?" When I told her no, it was only for 5 days, she was so disappointed. She said, "ohhhh, I love Bible Club"

Pam

Thank you for blessing us, by having the team come and do the 5-Day Club!!

What other hosts have said.

What is a 5-Day Club®?

5-Day Clubs are a unique and effective way to reach the children and families in your community. For 1½ hours each day (Monday-Friday), children ages 4-12 gather to play high-energy games, hear exciting Bible lessons, missionary stories, and sing upbeat songs that teach unforgettable truths!

There's action, fun, and relationships with people who care and want them to know the One who loves them the most—Jesus!

Each summer thousands of children around the world come to know Christ through the clubs.

Who teaches 5-Day Clubs?

Teens who love both Jesus and children and desire to serve God come together from all over Oregon to learn how to lead clubs and teach Bible lessons, songs, memory verses and missionary stories.

They are trained at a week-long training camp called Christian Youth In Action (a CEF ministry). They receive encouragement and hands-on experience with mentors and other like-minded teens.

Best of all, they learn how to counsel children who wish to trust Christ as Savior. With 80 years experience, CEF has developed materials that capture children's attention, teach them biblical truths, and help them understand and respond to the Gospel.
