Who can join me (the guest) at Night to Shine?

A maximum of 2 people can join you at the event.

Every guest attending Night to Shine is required to have a buddy. A buddy is a volunteer companion who will stay by your side throughout the entire evening to help make sure you have the most enjoyable night possible.

There are two ways to be paired with a buddy: 1) We can provide you with a buddy when you arrive at the event. 2) You may bring your own buddy (friend, relative, parent or caregiver).

NOTE: Your buddy cannot be another registered guest participant. A buddy does not use the respite room and stays with you for the entire evening.

In addition to the buddy each guest is allowed to have ONE family member/caregiver participate in the event with them. A family member/caregiver can stay with their guest and buddy through the entirety of the event OR may take advantage of the Respite Room. The respite room is a space set aside for family members/caregivers to enjoy food, connect with other families and rest while remaining onsite during the event. Family members/caregivers are allowed to move freely between participating in the event with their guest and resting in the Respite Room.

Both Preferred Buddies and Family members/caregivers need to register to attend the event with their guest. These links are located in the guest confirmation email, once the guest has registered.

We know you may have questions, so please feel free to email us at nighttoshine@salemalliance.org and we will get back to you as soon as possible!

Looking forward to meeting you in person and having a wonderful night!
