

RECAP

Was any one able to meet with a discipleship coach? How was that experience for you?

INTRO

Vision 360 is the weekend we get to look back at the last year and celebrate how God has moved at Salem Alliance Church. As we share stories of God working, it helps our faith grow for the coming year.

IDEA 1

As you listened to the stories shared during service this week, what things surprised you? Excited you? Inspired you?

How have you seen God on the move in this place?

IDEA 2

Stories are powerful! Our stories can be articulated in words and speech, but we also share our stories as we live out Christ-like love everyday.

Process together with your group: How does my story impact my world (spheres of influence)?

Part of sharing our stories with others is talking about how we are experiencing communion with God—sharing what God is up to in your current stage on the Discipleship Pathway.

As you have processed this over the last few weeks, how could you share what communion with God looks like for you wherever you are at on the journey?

EXPERIENCING GOD TOGETHER

Spend some time in thanksgiving prayer together. As you pray, focus on thanking God for how he has met you individually, how he has met your life group, as well as how he has impacted your church and your city.

PRACTICE THIS WEEK

This week, take some time to continue to be the tangible peace, power, and presence of Jesus wherever you go as we help to make Salem a City at Peace with God.

Use some group time to brainstorm practical ways to do that this week.
