

INTRO

This week, Vision 360, we're celebrating what God has done in our church family over the past year, reflecting on how His faithfulness has been evident through our various sermon series and the stories of transformation among us.

Take a moment to consider: What is one way you've seen God work in your life this past year?

IDEA 1

We have dug into lots of amazing topics over the past year. Let's take a look at what we have been studying and what God has been teaching us.

- Discipleship (Discipleship Pathway Tool)
- Living Hope (1 & 2 Thessalonians)
- The Bible: More Than a Book
- Ezra
- The Kingdom Among Us (Selected passages of Mark)
- Reach
- Presence+Power
- Trinity

Throughout our journey in the sermon series and studies this year we've seen how intentional spiritual growth leads to lasting transformation.

How has your understanding of discipleship changed over the past year?

Which spiritual practice has been most formative for you?

Share about a time this year when a specific Scripture passage came alive for you in a new way. How did God speak to you through His Word?

IDEA 2

The stories shared today demonstrate how our church family has been both experiencing and extending God's kingdom.

What story from another person's life in our church has particularly encouraged your faith this year?

How has God used you to reach someone else with His love? What did that experience teach you about God's heart?

EXPERIENCING GOD TOGETHER

Take some time to sit together and reflect on this question:

What is one story of God's faithfulness in my life that I need to share with someone else?

Break into smaller groups and take turns sharing brief "God stories" from the past year.

Close by praying prayers of thanksgiving for what God has done, is doing, and will do among us.

PRACTICE THIS WEEK

Remembering and recording how God and His Kingdom break into everyday is a great way to build faith and is an act of worship. But it can take practice!

Each day this week, record one specific way you've witnessed God's kingdom breaking into your everyday life. Note both small moments (an unexpected kindness) and larger movements (reconciled relationships, healing, provision).
